Judson Lada Memorial Scholarship

This scholarship is open to all Conotton Valley High School Seniors, and former graduates including those who attend Buckeye Career Center, seeking higher education at a college, university, or community college pursuing a degree in education. The award will be given directly to the recipient(s).

This scholarship is named in honor of Judson Lada, long-time Conotton Valley teacher and guidance counselor whose career touched many lives. He was dedicated to help students find their path in life and helped them to navigate those waters.

This scholarship is based upon your volunteerism and humanitarian efforts and about what you give of yourself to your surrounding community. This scholarship is based upon what you have learned outside the classroom. Please also include an essay limited to 1 page to express why you want to be an educator. This is not a need-based scholarship but if you express family or financial hardships, it will be considered.
