Mid-September 2019

## Message From The Teacher

Hello!! I hope you all had a wonderful start to the 2019-2020 school year. We have a lot of really exciting things happening in Rocket Nation, and I am so happy to have your child in class this year. For those of you that don't know me, I have been working in the Conotton Valley district for several years. In that time, I have had the wonderful opportunity to hold several positions, and am thrilled to be in the social studies department now. Social studies has always been my passion, and I am thrilled to be able to lead our students in valuing our nation's great history. If you ever have questions or concerns, please do not hesitate to contact me!
