Our balance after all checks are cashed will be \$15,617.77. A breakdown of all expenses and deposits are contained in her attached report.

Discussion was held in regard the weekend alumni event. It was felt that the spot for the tailgate on Friday night was good, another pop-up canopy could be utilized next year for the tables as it was hot. We need to re-vamp our menu and remove the baked items. More hotdogs are needed and Gerald suggested we serve sausage sandwiches. Regarding Saturday night, it was felt the classes were receptive to the online yearbooks, the food was good and we should set a goal of five new ideas for next year's banquet. One idea is pictures perhaps from a photographer and we should book Kathy now for next year.

It was reported that the finance committee will meet Monday at 3:00 at ESC. The 501C3 application moved quickly and is back already. The pledge forms did not come back very well.

It was felt Tanner needs to put the nomination form for the Alumni Distinguished Person on our social media sites. Rindy will provide him the form.

It was felt that much work needs to be done on updating our database of alumni. Susan and Carol Jo volunteered to do it. Stacey felt approximately 300 letters came back, most from the '80's and '90's. Peg will provide the boxes of returned letters to them.

It was learned that the Alumni HOF will be in January on the 13th or 14th. Stacey will double check the date so that our preparations for our basket raffle may begin.

Rindy asked if there was any other fundraising ideas. Peg suggested a Friday Night Lights T-shirt project. Peg will get rendering for shirt and check on the cost.

It was decided to move our October meeting up one week to October 22, 2022, at 9:00am at the library.

Linda advised she is doing thank yous for the gift card donors. Rindy suggested officers start meeting again with Mr. Zucal quarterly. She will check with him.
